FOR IMMEDIATE RELEASE

Update on Alzheimer's

Peter Rabins, MD, MPH, to Discuss Alzheimer's Disease, Dementia, and Memory Loss

Sagepoint Senior Living Services is pleased to present Peter Rabins, MD, MPH, for a discussion on Alzheimer's Disease, Dementia, and Memory Loss. Author of *The 36 Hour Day*, [Dr. Rabins](#) is a professor and the Founding Director of the Division of Geriatric Psychiatry in the department of psychiatry and behavioral sciences at the Johns Hopkins University School of Medicine. Dr. Rabins has focused his career on the study of psychiatric disorders in the elderly. His current research focuses on the effectiveness of current therapies for Alzheimer's disease, the development of measures of quality of life in persons with Alzheimer's disease, the care of patients with late-stage dementia, and autism in the elderly.

This free event will be held Thursday, September 10th from 6:00-7:30 p.m. at Sagepoint Senior Living Services (10200 La Plata Road, La Plata, MD 20646). Though the event is free, we ask that you RSVP at <http://bit.ly/UpdateOnAlzheimers>. The first 50 to register will receive a **free copy** of Dr. Rabins' bestseller, *The 36-Hour Day*.

Update on Alzheimer's is the second of Sagepoint's **Community Education Series**. The purpose of this series is to help educate members of the Southern Maryland community on a variety of topics related to healthcare and aging. We hope that you will benefit from this informative session and find it useful for you and your family. Sagepoint President/CEO Bill Holman remarks, "We are grateful to have Dr. Rabins share his knowledge and expertise on Alzheimer's and other forms of dementia that impact so many in the Southern Maryland community!"
