FOR IMMEDIATE RELEASE

## SAGEPOINT BREAKS GROUND ON NEW REHAB FACILITY Sagepoint to Hold New Rehabilitation Center Groundbreaking Ceremony

La Plata, Md. (October 1, 2015) – Join us Wednesday, October 14<sup>th</sup> at 9:30 a.m. as we officially break ground for our new rehabilitation center. This center will consist of 30 private rooms complete with private baths and showers and will boast a modern design. The facility will offer a new state-of-the-art therapy gym with a mock bedroom and kitchen aimed at helping patients master the very same daily living skills needed to return home. The new rehabilitation center will be an addition to the current campus located in La Plata.

This new rehabilitation center supports Sagepoint's mission of providing excellence in rehabilitation and aging services. "As a non-profit, mission-driven organization, we are committed to taking extra steps to support your recovery and get you back on your feet," comments Bill Holman, President/CEO. This new rehabilitation center will enable Sagepoint to continue providing excellent care to seniors and their families in Southern Maryland.

As a non-profit organization, Sagepoint strives to partner with local agencies whenever possible. We are proud to work with **R.L. Litten & Associates, Architects, LLC** and **Dennis Anderson Construction Corporation**, both located in Charles County.
