FOR IMMEDIATE RELEASE

SAGEPOINT RESIDENT ADOPTION TREE
Help Us Make the Holidays Even Merrier For Our Residents

La Plata, MD (November 22, 2016) – Sagepoint Senior Living Services is excited to announce that our *Resident Adoption Tree* is now up! We strive to make all occasions extra special for our residents and the *Adoption Tree* is a simple way to spread joy among our facility this Holiday Season. The program helps us ensure that every single resident will have something for them under the Christmas tree. The wish lists were developed by the residents themselves or with their needs in mind. Adopt a resident today and help us brighten their holiday this season!

Activities Director Erin Young remarks, “Our adoption tree is a fun way for members of the community to help seniors in need. It is the generosity of the members of our community that allow us to grant each resident a wish during the holidays. If you are able, we ask that you consider adopting one of our residents this year from our *Resident Adoption Tree*. We promise, it’s a fun way to give back!”

If you are interested in adopting a resident for the holidays, come in and select a resident off the *Resident Adoption Tree* or email Erin Young, Activities Director, at eyoung@sagepointcare.org. Upon adopting a resident, you will receive the Resident’s Wish List and we ask that you return gifts wrapped in gift bags by **Tuesday, December 20, 2016**. The gifts will be delivered during our Annual Christmas Party on December 22nd.
