

Weekly Update: 6/26/2020

Please be sure to check here for weekly Sagepoint updates for families and friends.

Sagepoint Skilled Nursing Center:

- We have no new residents or staff testing positive for COVID-19.
- Visitor restrictions for nursing homes are still in effect, per Governor Hogan.

Sagepoint Assisted Living and Memory Care:

- Governor Hogan has approved outdoor (only) visitation for residents of assisted living facilities beginning Monday, June 22. There was no lifting of restrictions on nursing homes.
- Beginning Monday, June 22, families of the Gardens and Memory Care may email Yolanda at yedley@sagepointcare.org to schedule an outdoor visit. The visits will be weather pending, maintaining social distancing and face covering is required. Again this applies only to the Gardens and Memory Care residents currently.
