

Weekly Update: 12/16/2020

Please be sure to check here for weekly Sagepoint updates for families and friends.

Sagepoint Skilled Nursing Center:

Our most recent round of weekly testing has identified one additional staff person who has tested positive in the skilled nursing center. The staff person has been notified and following quarantine protocol. In addition, all appropriate precautions are being taken to mitigate spread. We are following the guidance from the CDC, Maryland Department of Health, and Center for Medicare and Medicaid Services regarding appropriate actions to protect all residents and staff.
