

Weekly Update: 1/15/21

Please be sure to check here for weekly Sagepoint updates for families and friends.

Sagepoint Skilled Nursing Center:

Our latest weekly round of COVID testing has resulted in no positive cases in residents or staff.

Residents who opted to receive the vaccine and received their first dose on 1/6 will receive their second dose on 1/27 according to the protocol.

Assisted Living and Memory Care

Our latest round of weekly testing has resulted in no positive cases in residents or staff.

We are still awaiting notification on the status of vaccination plans for assisted living and Memory Care residents from the Maryland Department of Health.
