

Weekly Update: 03/05/2021

Please be sure to check here for weekly Sagepoint updates for families and friends.

Sagepoint Skilled Nursing Center:

Our latest weekly round of COVID testing has resulted in no positive cases in residents or staff.

We are open for scheduled indoor visitation as of last week. Please refer to the February 12 communication on the website for the procedure to schedule an indoor visit.

Assisted Living and Memory Care

We are open for scheduled indoor visitation as of last week. Please refer to the February 12 communication on the website for the procedure to schedule an indoor visit.
