

Having a Caring Team to Help

Professional Support With a Delicate Touch

We are more than just a facility. Our goal is to create a true sense of trust and community. With Sagepoint, we make sure the needs of our residents are being met by offering a diverse range of services, such as Assisted Living, Memory Care, Adult Day Services and Home Care. These services do not merely help our residents get through their days; they also provide the high-quality care they deserve.

Our Services

Home Care

Providing assistance with daily living activities to allow more older adults to maintain their independence in the comforts of their own homes. We offer companion care, transportation assistance to and from medical appointments and assistance with daily living.

410-257-1900

Adult Day Services

Your loved one will enjoy the company of others while receiving the daytime care and medical supervision they need. Transportation is available.

301-934-6753

Assisted Living

Offering support for seniors who need an extra helping hand with daily activities to maintain independence and enjoy a more active lifestyle. Respite services (short-term stay) are also available.

301-934-0222

Memory Care

Caring for people with Alzheimer's disease or other forms of dementia. Respite services (short-term stay) are also available.

301-934-2762
