A Rewarding Career Awaits

Geriatric Nursing Assistant Program Is a Great Start to a Career In Patient Care

Considering a career in healthcare or patient care? Are you a compassionate person who is interested in helping others? If so, our on-site Geriatric Nursing Assistant Program could be for you.

This program is approved by the Maryland Board of Nursing and prepares individuals for a career as a Geriatric Nursing Assistant, or serves as a stepping stone into a career as a Certified Medicine Aide, Licensed Practical Nurse or Registered Nurse. Qualified candidates can even enter the program at no charge.
