

**08.11.2023**

COVID numbers are rising in Charles County. We know that has a direct impact on the COVID cases of residents and staff in the building. At this time the Maryland Department of Health has kept visitation open however you will need to don the appropriate PPE including a mask. If you are not feeling well, please refrain from visiting at this time.

Always...Our first and highest priority is to protect and advocate for our residents and staff.

Due to the lifting of the Federal COVID-19 Public Health Emergency masks are no longer required for visitation.

**Sagepoint Skilled Nursing Center:**

Our latest round of weekly testing has resulted in 2 residents and 1 staff testing positive. All Center for Disease Control and Maryland Department of Health Guidelines are being followed.

**Assisted Living and Memory Care**

Our latest round of weekly testing has resulted in no residents or staff testing positive. All Center for Disease Control and Maryland Department of Health Guidelines are being followed.
