

03.04.2024

COVID numbers are rising in Charles County. We know that has a direct impact on the COVID cases of residents and staff in the building. At this time the Maryland Department of Health has kept visitation open however we strongly recommend utilizing the appropriate PPE including a mask. If you are not feeling well, please refrain from visiting at this time.

Always...Our first and highest priority is to protect and advocate for our residents and staff.

Sagepoint Skilled Nursing Center:

Our latest round of weekly testing has resulted in six residents and no staff testing positive all are experiencing mild to no symptoms. All Center for Disease Control and Maryland Department of Health Guidelines are being followed.

Assisted Living and Memory Care:

Our latest round of weekly testing has resulted in no resident testing positive. All Center for Disease Control and Maryland Department of Health Guidelines are being followed.
